Superior quality, faster speed, and versatility.

# Cut Better

on your grinder, your radial arm machine  
and your CNC Cutting/Polishing Center

**Our New Low-Profile PadHead™**  
polishing & grinding head is better than ever!

## Smoother Rotation

resulting from larger bearings  
and this freer rotation allows

## Faster Cutting

easier resistance of friction  
applied to diamonds

## Better Stability

lower, closer to work area

Miles Supply's patented  
**PadHead™**  
polishing & grinding head

*Versatile. Revolutionary. The only head on the  
market using The Resistance of Friction principle.*

New Low-Profile PadHead™ Model II
